Consultation questions

Tell us what you think of the council’s draft Estates Local Plan

1) Having read and considered the council’s draft Estates Local Plan and supporting documents please indicate your preference at this stage for regeneration.

Please tick one of the following options:

☑ Option 1: Demolish and redevelop the entire Estate

Redeveloping the whole estate would mean demolishing and replacing the existing buildings to provide well-designed energy efficient new homes and general improvement to the neighbourhood, including connections to the surrounding areas.

☐ Option 2: Partial redevelopment

Retain some buildings and redevelop the majority of the estate to provide a number of benefits, such as well-designed energy efficient new homes but with fewer benefits to the neighbourhood.

☐ Option 3: Invest in existing properties to bring them to minimum modern standards

Refurbish all Circle Housing Merton Priory and leasehold properties to ensure they meet current minimum housing standards and have reasonable kitchens, bathrooms, windows, wiring and insulation. All leaseholders would have to share the costs of this work. This would not include changes to the outside areas.

3) Please tell us if you have any other comments about the council’s draft Estates Local Plan?

I do not agree with opening up the estate roads as this will encourage ‘rat runs’ as it did in the 1970s between Rowan Rd and Tamworth Lane.

I am also not happy with C.1.1.M.P.'s plans as my close (Tittrupp Close) will be the last to be regenerated which will mean I will be in my house for another ten years which will mean I will be 83 years old, if in fact I will be still alive.

I did ask C.1.1.M.P. for a priority offer as I am one of the original tenants from 1972, but they declined.
