Consultation questions

Tell us what you think of the council’s draft Estates Local Plan

1) Having read and considered the council’s draft Estates Local Plan and supporting documents please indicate your preference at this stage for regeneration.

Please tick one of the following options:

عناصر 1: Demolish and redevelop the entire Estate

Redeveloping the whole estate would mean demolishing and replacing the existing buildings to provide well-designed energy efficient new homes and general improvement to the neighbourhood, including connections to the surrounding areas.

عناصر 2: Partial redevelopment

Retain some buildings and redevelop the majority of the estate to provide a number of benefits, such as well-designed energy efficient new homes but with fewer benefits to the neighbourhood.

عناصر 3: Invest in existing properties to bring them to minimum modern standards

Refurbish all Circle Housing Merton Priory and leasehold properties to ensure they meet current minimum housing standards and have reasonable kitchens, bathrooms, windows, wiring and insulation. All leaseholders would have to share the costs of this work. This would not include changes to the outside areas.

3) Please tell us if you have any comments on the draft Estates Local Plan.

(Please include details of the specific areas or issues to which your comments relate, indicating the question you are answering.)

Dear Council of Merton,

If you build new houses, will the car parks be where the car parks are now? Will the cars go into the new houses instead of the car parks? I haven't got a car, but my friend has. Will they have somewhere to park?

Best regards,
