Consultation questions

Tell us what you think of the council’s draft Estates Local Plan

1) Having read and considered the council’s draft Estates Local Plan and supporting documents please indicate your preference at this stage for regeneration.

Please tick one of the following options:

☑ Option 1: Demolish and redevelop the entire Estate

Redeveloping the whole estate would mean demolishing and replacing the existing buildings to provide well-designed energy efficient new homes and general improvement to the neighbourhood, including connections to the surrounding areas.

☐ Option 2: Partial redevelopment

Retain some buildings and redevelop the majority of the estate to provide a number of benefits, such as well-designed energy efficient new homes but with fewer benefits to the neighbourhood.

☐ Option 3: Invest in existing properties to bring them to minimum modern standards

Refurbish all Circle Housing Merton Priory and leasehold properties to ensure they meet current minimum housing standards and have reasonable kitchens, bathrooms, windows, wiring and insulation. All leaseholders would have to share the costs of this work. This would not include changes to the outside areas.

3) Please tell us if you have any other comments about the council's draft Estates Local Plan?

Do not make Clay Ave a through road. Traffic will greatly increase. Drug dealers / troublemakers will have ease of access. Bus access would create problems.

Do not make buildings high. Reference new housing at world's end, Chelsea is a nightmare of high blocks – blocking out light creating a very frightening aspect in a nice building.

An area for meetings / classes / youth groups is needed.

Young people are sometimes prisoners of the postcode & can't venture far.

Solar power ??

Shops - would be opportunity for small businesses but not fast food due to fatter, obese people.

When BMX has competition parking is very hard to find along Acacia Rd. Parents need to transport kids for safety.

If road goes through will need traffic lights at intersection Acacia Rd / Tamworth Ave.

* gate to cemetery would enable trouble to happen. 463 bus goes to cemetery gates if we want to visit
* buildings much taller than the others would increase our and their attitude we want harmony on the estate
* view to cemetery is not a strong selling point.
