Consultation questions

Tell us what you think of the council’s draft Estates Local Plan

1) Having read and considered the council’s draft Estates Local Plan and supporting documents please indicate your preference at this stage for regeneration.

Please tick one of the following options:

☐ Option 1: Demolish and redevelop the entire Estate

Redeveloping the whole estate would mean demolishing and replacing the existing buildings to provide well-designed energy efficient new homes and general improvement to the neighbourhood, including connections to the surrounding areas.

☐ Option 2: Partial redevelopment

Retain some buildings and redevelop the majority of the estate to provide a number of benefits, such as well-designed energy efficient new homes but with fewer benefits to the neighbourhood.

☐ Option 3: Invest in existing properties to bring them to minimum modern standards

Refurbish all Circle Housing Merton Priory and leasehold properties to ensure they meet current minimum housing standards and have reasonable kitchens, bathrooms, windows, wiring and insulation. All leaseholders would have to share the costs of this work. This would not include changes to the outside areas.

(Please include details of the page number(s) and paragraph number(s) of the council’s draft plan to which your comments relate. Please continue on a separate sheet and attach to this form clearly indicating the question you are writing about.)

Generally, Abbey Rd & Mill Rd Area will be most affected by this development, and the impact should be minimised.

1) Disagree with following points (strongly):
   - Making Abbey Rd main access point: EPH1d) + EPH2 a) + e)
   - Allowing motorised link from Morden Rd through via Nelson Grove Rd to Abbey Rd: EPH1d) + EPH2 a) + e)
   - Making Abbey Rd a through route to Merton Way: EPH3 3.156
   - Building a stay on Abbey Rd: EPH4 a) + EPH8 d)
   - That should be a park along Abbey Rd: EPH4 a) + EPH8 d)
   - Buildings should not overlook Abbey Rd residents: EPH4 a) + EPH8 d)
   - Close proximity: EPH4 a) + EPH8 d)

2) Suggestions:
   - Position a substantially large area of greenspace along Abbey Rd to impact on wildlife, people welfare
   - Incorporate sustainable energy, wildlife (snow/sun micro), green walls/roofs, roof gardens, etc.
   - Ensure social justice for current occupying residents in Mill Rd Area
   - Traffic control for Mill Rd Area
   - Include community facilities like playgroup, people cafe, etc.

3) Concerns:
   - In traffic, noise pollution from demolition, construction and post completion.
   - Capacity of infrastructure, re: traffic, transport, water, gas, sewage.
