## Latest update on Morden

Following the viability assessment and conceptual drawings undertaken in early 2017, Merton Council and Transport for London (TfL) have now jointly procured and appointed consultants to advise on the delivery of the Morden Housing Zone.

Once the consultant's detailed advice has been received, a report will be taken to Cabinet in late 2017 with recommendations for the next stages and the delivery of the project.

## Investing in Morden

The council has been successful in a bid for £40,000 of the Greater London Authority (GLA) Housing Zone Revenue Funding to be spent over the next two years towards legal advice, public engagement activities and specialist technical advice required to assist in the delivery of the Morden Housing Zone.

Further information on the Mayor of London's Housing Zones can be found on the [GLA website](#).

In partnership with TfL and the Mayor of London, the council is also working toward submitting bids for other government funding sources to drive the moreMorden project.

SUPPORTED BY  
**MAYOR OF LONDON**

## Next steps...

Over the next few months the council will continue to work with TfL and will be reviewing the consultant's detailed delivery advice to enable us to prepare recommendations for the delivery stages of the project.

We will bring you further updates on moreMorden in our December newsletter.

For background information on the Morden Housing Zone visit the [moreMorden](#) site.

## Morden Court Parade update

SUPPORTED BY  
**MAYOR OF LONDON**

The art-deco restoration of the Morden Court Parade shopfronts has now been completed, with significant lighting, branding and signage improvements made to the shop and building frontages along London Road. This successful project was supported by the Mayor of London in partnership with Merton Council.
