Dear Business / Resident,

TAMWORTH LANE / GROVE ROAD, MITCHAM
ROUNDABOUT ALTERATIONS - PHASE 1

Proposed Works
As part of Network Rail’s improvements to the signals and barriers at this level crossing, Merton Council will jointly be undertaking alterations to the traffic priority at the eastern side of the roundabout at its junction with Tamworth Lane and Grove Road. The proposed measures aim to improve traffic flows and violations for eastbound traffic passing over the level crossing, by giving them priority at the adjacent roundabout.

Date and Time of Works
The works will be carried out between 5 and 14 April 2018, weather permitting. Multiple road closures with traffic diversions will in place during these stages. The construction stages are as follows and shown on the plan overleaf:

- Stage 1 – Thu 5 to Sat 7 Apr
- Stage 2 – Mon 9 to Tue 10 Apr
- Stage 3 – Wed 11 to Sat 14 Apr
- Re-surfacing – Sat 14 Apr. **Combined stages between 9pm and 4am**

The majority of work will generally be carried out between the hours of 8am and 5pm. FM Conway Ltd will carry out the works on behalf of the Council.

Traffic Management and Access Arrangements
During the working hours, access to properties and shops will be maintained at all times. However, in order that the works are carried out as quickly and efficiently as possible, temporary lane/road closures with traffic diversions and parking restrictions/suspensions will be introduced where necessary. “No Parking” cones and signs will also be in place to indicate the areas where and when parking is prohibited. It must be noted that whilst the restrictions are in place, illegally parked vehicles will be removed.

Further Information and Contact Details for the Works
The people looking after these works are:
- James Geeson, Merton Council Engineer: 020 8545 3054
- Neil Smith, FM Conway Ltd, Civils: 077 9870 0005 / 020 8636 8822

The contractor will erect information boards on site and their staff will be able to update you on the progress as the works proceed. Please do not hesitate to ask the staff on site should you require any assistance. Merton Council and FM Conway Ltd apologise in advance for any inconvenience caused.
