Dear Resident/Business,

The purpose of this newsletter is to inform you that Merton Council has been successful in its bid to Transport for London (TfL) to fund accessibility improvements across the Borough. To improve pedestrian safety and accessibility to the William Morris Primary School in Recreation Way it is proposed to introduce a zebra pedestrian crossing on speed table and new footpath in Recreation Way as shown on the plan overleaf. This will reduce the risk of personal injury and provide a safer environment for pedestrians, facilitating those attending the William Morris Primary School.

What happens next

A Notice of the Council’s intention to introduce the crossing will be published in the local newspaper and posted on lamp columns in the vicinity. Any comments must be put in writing to the Environment and Regeneration Department, Merton Civic Centre, London Road, Morden, Surrey, SM4 5DX by no later than 16 JULY 2015, quoting reference Recreation WAY ZEBRA.

A copy of the Notice and plan identifying the area affected by the proposal can be inspected at Merton Link, Merton Civic Centre, London Road, Morden, Surrey during the Council’s working hours, Monday to Friday, between 9am and 5pm.

A copy can also be inspected at Morden Library, Merton Civic Centre, London Road, Morden, SM4 5DX. Alternatively, this information can be viewed on our website using the following link www.merton.gov.uk/recreationway_zebra
