

Berriman A.

Site 23: Amity Grove

Thank you for requesting views from the neighbourhood on developments in Amity Grove and Bushey Road.

I have previously expressed views on other developments around the neighbourhood and feel they have been ignored.

Therefore I will not waste anyone's time in reviewing these developments in order to express my views.

It is sad that I have come to this conclusion, as I am passionate about this area and developing it for the good of all,

Kind regards

Amelia
