Site 16: Wimbledon Library/Marlborough Hall

Dear Sirs,

Regarding the current public consultation to determine what residents think of the plans and policies, **I would appreciate if you would take into consideration my comments regarding the Wimbledon Library/Marlborough Hall, 35 Wimbledon Hill Road, Wimbledon SW19 7NB**

As a resident in Compton Road and member of the Committee of the Wimbledon East Hillside Residents Association WEHRA I am strongly opposed to any business or commercial operation in the Wimbledon Library and I support the representation presented by my local Residents Association WEHRA.

The whole of the Wimbledon Library Building serves the Community in different ways, not only as an excellent Library with a Reference Section, but also it has a Computer Centre, an Adult Education Centre and a Gallery.

It is also one of the most attractive buildings in Wimbledon
