Site 60 Pitcairn

I would like to support the proposal to change the planning designation of Site Number 18 – 60 Pitcairn Road from B2 to B3 (residential) in the Potential Sites for Development DPD. The information regarding ownership does not seem to be known by the council, however, this site has been subject to planning application and enforcement (2009 and 10?) on more than one occasion and therefore the ownership will be in the records for the site. I am not aware that this has recently changed hands.

I expect support from the ward councillors on this proposal.
