Dear Resident/Business,

The purpose of this newsletter is to inform you of the outcome of the formal consultation carried out in November and December 2008, and to notify you of the Council’s decision regarding the proposed 20mph speed limit within the Farm Road area. The representations received from residents, along with officers’ recommendations, were presented in a report to the Street Management Advisory Committee and the Cabinet Member on the 13 January 2009. Following this meeting, it has been agreed to proceed with the implementation of proposals as shown on the plans enclosed Drg No. Z73-195-02.

Please note that Canterbury Road (between Green Lane and Middleton Road), Dorchester Road, Dora Gardens and Pilgrim Close were removed from the scheme due to these roads being partially located within the borough boundary of Sutton.

WHAT HAPPENS NEXT?
The final made TMO, which allows the proposals to be implemented and administered, will be published in the London Gazette and the local newspaper shortly. Notices will also be placed on lamp columns in the affected area.

A plan identifying the area affected by the proposal and the Council’s ‘Statement of Reasons’ can be inspected at Merton Link, Merton civic Centre, London Road, Morden, Surrey during the Council’s working hours, Monday to Friday, between 9am and 5pm.

It is proposed that the scheme works shall commence on 19 February 2009, for a duration of three days, weather permitting. A letter to confirm the commencement of works shall be sent to all residents who will be directly affected by the implementation of civil works prior to commencement. It will also be necessary to suspend some parking during the implementation of these works. Notices will be erected on posts within the vicinity of the affected parking spaces.

Finally, thank you for your participation in the consultation process and for your feedback. If you require any further information, please contact Anna Gallard, on telephone number 020 8545 3948 or email anna.gallard@merton.gov.uk. Alternatively, this information can be viewed on Merton Council’s website, http://www.merton.gov.uk/farm20mph.
