Dear Resident/Business,

The purpose of this newsletter is to inform you of the outcome of the formal consultation carried out in September 2008, and to inform you of the Council’s decision for the proposed High Path area 20mph Zone. Following representations received from residents regarding the proposals, the Council has decided to proceed with the implementation of proposals as shown on the plan overleaf Drg No. Z73/181/01A.

What Happens Next?
The final made TMO, which allows the proposals to be implemented and administered, will be published in the London Gazette and the local newspaper shortly. Notices will also be placed on lamp columns in the affected area.

A plan identifying the area affected by the proposal and the Council’s ‘Statement of Reasons’ can be inspected at Merton Link, Merton Civic Centre, London Road, Morden, Surrey during the Council’s working hours, Monday to Friday, between 9am and 5pm.

The measures will be completed before March 2009. A letter detailing the construction programme will be sent to all residents who will be directly affected by the implementation of the works prior to it commencing. It will also be necessary to suspend some parking bays during the implementation of these works.

Prior notices will be erected on posts within the vicinity of the affected parking bays.

Finally we would like to thank you for your participation in the consultation process and for your feedback. If you require any further information, please contact Edward Quartey on telephone number 020 8545 3835 or email him at edward.quartey@merton.gov.uk. Alternatively, this information can be viewed on Merton Council’s website, www.merton.gov.uk/highpath20mph.
