We would very much appreciate your acknowledging this view in your final document.</td>

<td>Bullet point revised: 'There does not appear to be any a threat so much from redevelopment, the only threat being as from the continuing erosion of the area's character.' APPENDIX 1: NOTICE PLACED IN THE WIMBLEDON GUARDIAN
1 SEPTEMBER 2005

Consultation on Draft Character Assessments for Three Designated Conservation Areas.
The Design and Conservation Team of Merton Council is seeking your views on draft Conservation Area Character Assessments, which have been prepared for three of the Borough’s Conservation Areas.
The three areas are:
Kenilworth Avenue Conservation Area
South Park Gardens Conservation Area
Leopold Road Conservation Area
The purpose of Conservation Area Assessments is to justify the Conservation Area designation and to define the features of interest that gives each area its special character. The Assessments are also used to define any features which detract from the character of the area.
The Assessments also make a number of proposals which are aimed at either protecting the special character of the area, where it is seen to be under some threat, or enhancing the character of the area where there are opportunities to do so.
Copies of the draft Assessment documents are available at Wimbledon Library, and at Merton Link in Merton Civic Centre. The documents can also be viewed on the Council’s website (www.merton.gov.uk) from 7th September, 2005.
Please send your comments by letter or by e mail to:
Phil Ryder, Design and Conservation Team, Environment and Regeneration Dept. Merton Civic Centre, London Rd, Morden SM4 5DX,
or to: phil.ryder@merton.gov.uk,
The closing date for comments is 20th October, 2005.
