I am unclear where "local centres of Arthur Road," is, in:-

"1. Centres, retail and other town centre type uses  
**DM R1: Location and scale of development in Merton's town centres and neighbourhood parades**  
**(Amendments following consultation feedback, research and national policy changes)**

**Policy aim:**

The policy aims to protect the viability and character of Merton's centres and neighbouring parades whilst ensuring that there are a wide range of town centre type uses to meet everyday needs of Merton's residents.

**Policy**

In accordance with Merton's Core Planning Strategy Policy CS7, the council will support new development in Merton's retail hierarchy commensurate with their scale and function, providing it respects or improves the character and local environment of the area by:

a) Supporting proposals:

i. in Wimbledon, Mitcham, Morden and Colliers Wood (upon designation as a District Centre) for development that provides a range of unit sizes, including small (floorspace generally below 280sqm), large (floorspace generally between 280 sqm and 1,000 sqm) and major town centre type uses (generally floorspace over 1,000 sqm)).

ii. In the **designated local centres of Arthur Road, Motspur Park, North Mitcham, Raynes Park** for development up to 1,000 sqm per unit of floorspace for town centre type uses and Wimbledon Village.

The council will resist major increases (above 1,000 sqm) in town centre type use floorspace in local centres unless it contributes to the council's regeneration objectives."

Please could you locate and identify which Arthur Road centre is referred to, please?
