Dear Sir,

## SITES & POLICIES PLAN & POLICIES MAP.

Thank you for your letter of 15th July, 2013.

Further to previous responses I wish to make the following comments before the documents are submitted to the Secretary of State for examination by an independent Planning Inspector :-

NB Chelsea-Hackney Line proposals have been abandoned

## 2) Sites & Policies

B Open Space

B.5. All other Open Spaces P157

P005 Malden Golf Course

delete "Troops" and insert "Traps"

P006. delete "London Electricity Sports Ground (LESSA)" "Grand Drive (westway)" and insert "Raynes Park Lawn Tennis Club and Open Space" "Meadowview Road, SW20" "3.64 (ha)"

NB several houses built on <sup>former</sup> LESSA site plus new tennis club. Open Space on opposite side. Meadowview Road bisects former LESSA site

P014 delete "Raynes Park Lawn Tennis Club" and insert "Raynes Park Residents Open Space" "Grand Drive SW20"

NB Raynes Park Residents Association now occupy this site

3) Site Proposal 15 West Barnes Library is listed under Morden (P211) and also Raynes Park (P212). Details appear on pages 286/7 and 310/11. One would expect this particular proposal to be included under Raynes Park.

4) Site Proposal 16 Wimbledon Library

As stated previously, although it is intended to increase the customer floor area this must NOT be at the expense of the study area which is well used by the local community and should be kept separate from other areas of the library.

I should be grateful to be kept informed of the progress of the Sites & Policies Plan and Policies Map at all its stages.

Yours faithfully,
