Dear Sir,

WIMBLEDON LIBRARY
PROPOSAL NO. 16

I wish to make the following comments
in response to the Draft Site and Policies Development
Plan document.

Any proposal to redevelop/modernise
Wimbledon Library must be sympathetic to a
listed building in a Conservation Area. In other words
any new buildings must complement the existing
building.

Although it is intended to increase the
customer floor area at the library this must not be
at the expense of the later study area which at present
is well used by the local community. In any new
development it should remain separate from other areas
of the library.

Yours faithfully
