

From 1st January 2012 Wimbledon Magistrates Court will not be issuing Non Molestation Orders or Occupation Orders.

There are three courthouses that you can go to and apply for a non-Molestation order. All information about the courthouses are in this leaflet, but if you need further information you can contact Victim Support on 020 8685 1637.

Who is the Independent Domestic Violence Adviser (IDVA)?

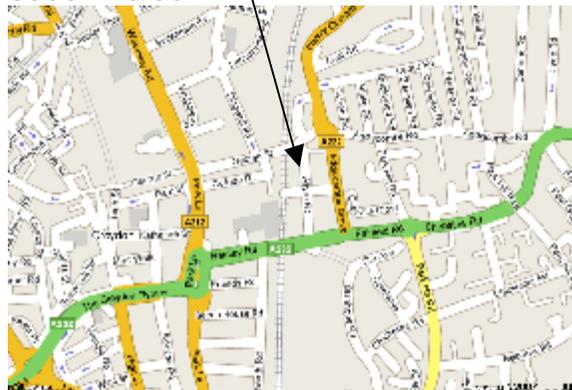

Victim Support has Independent Domestic Violence Adviser that can support you. If you decide to go to the Police, or apply for an order the IDVA can support you when reporting. The IDVA can give you information about court procedures, applying for legal orders and finding other agencies that can help you rebuild your future. A lot of people find it hard to accept that they are a victim of Domestic Violence/ Abuse and it can take a long time for someone to admit it to himself or herself, but it is a vital first step in getting help.

What is the Witness Service?

The Witness Service provides a comprehensive service to victims of crime; this includes Domestic Violence, as it is a criminal offence and not a private matter. There are legal orders that can be applied for to protect you as a victim of Domestic Violence/Abuse. If you talk to Victim Support they will be able to advise you of these legal orders.
