Dear Resident/Business

The purpose of this leaflet is to allow residents of Oxford Avenue further opportunity to air their views on proposals to include your road in the 5F CPZ. This is due representations received from residents as part of the consultation carried out in October/November 2011.

All representations of the consultation along with officers’ recommendations were presented in a report to the Street Management Advisory Committee and the Cabinet Member on 10 February 2011. After careful consideration it has been agreed to proceed with a statutory consultation to include Oxford Avenue into the existing 5F CPZ, operational Monday to Friday between 8.30am and 6.30pm.

WHAT HAPPENS NEXT

Statutory consultation is required prior to any decision to proceed to implementation. This is the legal part of the process and requires the introduction of Traffic Management Order (TMO), which will enable the Council to change and enforce traffic or parking Regulations. The Statutory Notice will be published in the London Gazette and one local newspaper circulated in the area. In addition to this, the Council will post Notices in the affected streets and deliver newsletters to local residents and traders. The Notice will inform residents and businesses in the affected area of the proposed measures and how members of the public can submit written representations regarding the proposals. Representation must be made in writing to: Head of Street Scene and Waste, Merton Civic Centre, London Road, Morden, Surrey, SM4 5DX by no later than 06 April 2012, quoting reference ES/SGE/CPZAPOSTLES.

The result of the consultation along with officers’ recommendations will be presented in a report to the Cabinet Member for Environmental Sustainability and Regeneration. Once a decision is made you will be informed accordingly. Please note that responses to any representations received will not be made until a final decision is made. If you require further information, you may contact Brett Cockin directly on 020 8545 4869 or email brett.cockin@merton.gov.uk.
