Dear Resident / Business,

Following the Council’s decision to make improvements to the parking in West Barnes Lane out side the shopping parade near Motspur Park station, I am writing to inform you that the works will start shortly, which will be carried out by F M Conway Ltd on behalf of the Council.

Date and Time of Works
It is anticipated that the lining works will start the week commencing 18 March 2013 for a period of 3-4 days, weather permitting. Work will be carried out between 9am and 4:30pm. To allow the works to be carried out as quickly as possible, temporary parking restrictions may be introduced. “No Parking” cones and signs will be in place to indicate the areas where parking would be prohibited. By doing so, this will allow a smooth transition of the works. Notices and cones will be placed in your road 12 – 48hrs prior to work being undertaken.

The Council is conscious of the inconvenience and the disruption that this work may cause and will endeavour to keep the impact to a minimum. We apologise in advance for any inconvenience that may be caused by these works.

It is envisaged that these restrictions will come into effect from 8 April 2013.

Dear Resident / Business,

The purpose of this leaflet is to let you know the outcome of the statutory consultation carried out in January/February 2012, and to inform you of the Council’s decision on the proposed measures as shown on the plan overleaf.

The Council has received no objections to these proposals, therefore a decision has been made to proceed with the making of the Traffic Management Order (TMO) to make improvements to the parking in West Barnes Lane out side the shopping parade near Motspur Park station.

APPROVED CHANGES
Approved changes which are shown on plan overleaf include:

- One hour free parking between 8:30am and 6:30pm with no return within 2 hours between 341 and 355 and between 328 and 354 West Barnes Lane.
- One hour free parking between 8:30am and 6:30pm with no return within 2 hours on West Barnes Lane adjacent to The Earl Beatty Public House.

Due to funding restrictions the originally proposed lay-by outside the Public House will not be introduced. In no way will this affect the number of proposed parking bays. Parking bays will be marked on the carriageway without impeding on the flow of traffic.

What Happens Next
The final made Traffic Management Orders (TMOs), which allows the restrictions to be implemented and administered, will be published in the London Gazette and the local newspaper shortly. Notices will also be placed on lamp columns in the affected area.
