Dear Resident/Business,

The purpose of leaflet is to inform you that the Council is now carrying out a consultation on its intention to make changes to the existing raised zebra crossing in Lavender Avenue between the junction with Steers Mead and Mortimer Road.

The proposals are to extend the raised area on Lavender Avenue back to Steers Mead and include a new junction entry treatment.

Propose to extend the raised area beyond Mortimer Road that will include the junction entry treatment creating a staggered raised area and junction entry treatment.

The revised proposals for implementation are shown on the plan overleaf (Drg. No. Z78/277/01 Con).

WHAT HAPPENS NEXT
