Dear Resident/Business

The purpose of this newsletter is to let you know the outcome of the formal consultation carried out in February/March 2006, on the proposed parking arrangements for Haydon’s Road and to inform you of the Council’s intentions.

The formal consultation resulted in a number of objections to certain aspects of the proposed measures. After considering the objections and taking note of your views, the initial proposals have been amended. There were also some design errors that had to be modified.

The results were reported to the Advisory Street Management Committee on 11th September 2006. The Cabinet Member made a decision to further formally consult on the amendments.

The new proposed measures are shown on the plan. The formal consultation includes:

- The removal of the existing single yellow line restrictions on Haydon’s Road; Kingsley Road, Caxton Road, Tennyson Road, Dryden Road, Milton Road and Cowper Road to release kerb side space for parking.

- The inclusion of the properties on the east side of Haydon’s Road, (Nos. 191 to No. 317 Haydon’s Road) between Caxton Road and Cowper Road in the existing zone 3E. This will allow these residents to purchase a permit to park within the zone.

- The introduction of additional permit holder bays within zone 3E on the east side of Haydon’s Road between Nos. 213 and 221; between Nos. 273 and 309 Haydon’s Road. On the west side between Nos. 170 and 188 and between Nos. 194 and 222 Haydon’s Road.

- The introduction of two additional shared use bays to the existing shared use bays within zone 3F on the west side of Haydon’s Road outside Nos. 140 and 144 Haydon’s Road. There would also be the need to introduce a small length of double yellow lines outside No. 140 Haydon’s Road between the existing disabled persons parking bay and the proposed shared use bays. This will protect the disabled persons bay and prevent confusion.

- The introduction of two pay & display only bays within Zone 3F outside Nos. 100 to 106 Haydon’s Road with a maximum stay of two hours.

- The introduction of double yellow lines at all the identified junctions along Haydon’s Road and other key locations between Gap Road and Merton High Street as shown on the plan.

- To undertake a formal consultation on the introduction of Free Parking Bays on Haydon’s Road between Gap Road and Kohat Road and Cromwell Road and Haydon Park Road - as listed below, with a ‘one hour’ maximum stay and no return within one hour outside:
  1. Nos. 341 - 347 Haydon’s Road.

What Happens Next

Your Council has carefully considered all the feedback it received during the previous formal consultation and is now undertaking a further formal consultation on its intentions to introduce the above approved changes.

At the conclusion of this formal consultation the Cabinet Member will make a decision on whether or not to implement these proposals. The results of the formal consultation will be reported to the next meeting of Advisory Street Management Committee on 15th January 2007 or earlier to the Cabinet Member for a decision.

An advert for the Traffic Management Orders will be published in the local newspaper on Thursday 12th October 2006 and in the London Gazette and posted on lamp columns in the area. We urge anyone who is either in favour or against the scheme to make representation in writing to: Head of Street Management, Merton Civic Centre, London Road, Morden, Surrey, SM4 5DX by no later than 3rd November 2006, quoting reference ES/SGE/Haydon's Road.

Please note that no response will be made to representations until a decision is made.

Anyone who opposes the scheme must state the grounds on which their objection is made. We also welcome letters in support.

A copy of the proposed Traffic Management Orders (TMOs), a plan identifying the areas affected by the proposed TMOs and the Council’s Statement of Reasons for the TMOs can be inspected during the Council’s normal office hours Mondays to Fridays at the Merton Link, Merton Civic Centre, London Road, Morden, Surrey. Alternatively, this information can be viewed on the Merton Council website, www.merton.gov.uk/haydonsroad or at Wimbledon Library.

Please let us have your views, they are important and will have a bearing upon the decision made.

We would like to thank you for the feedback provided on the initial proposals. If you require further information, you may contact Mr Clarke Cover on 020 8545 4869.
