Dear Owner/Occupier,

The purpose of this newsletter is to let you know the outcome of the informal public consultation carried out in September 2005, on the proposed W6 Controlled Parking Zone (CPZ) and to inform you that your road or section of road is to be included in the revised proposal for the W6 CPZ.

After analysing the results and taking note of your views, the initial proposals were amended. The results were reported to the Cabinet Street Management Committee on 19th October 2005 where the following decisions were made:

1. To undertake formal consultation on the proposed W6 Controlled Parking Zone, to include Darlaston Road, Edge Hill and Worple Road (odd side only, Nos. 69 to 79). Hours of operation, Monday - Saturday, 8:30am - 6:30pm.
2. To undertake formal consultation on the proposed ‘At any time’ waiting restrictions to be introduced at the turning heads of the culs-de-sac in Nursery Road, Worple Avenue and Pentney Road and around junctions in Worple Avenue, Worple Road, Nursery Road, Midmoor Road, Pentney Road, Albert Grove, Ethelbert Road, Southdown Road and Lower Downs Road.
3. To report the results of the formal consultation for the CPZ and waiting restrictions to the Cabinet Street Management Committee.

Please see overleaf for a summary of the informal consultation results.

Changes to original proposals

The revised W6 CPZ now includes Edge Hill, Darlaston Road and Worple Road (odd side only, Nos. 69 - 79).

The shared-use Pay and Display bays north (up the hill) from Oakhill Court on Edge Hill will have a maximum stay of 10 hours.

The proposed ‘At any time’ waiting restrictions for roads outside of the revised W6 CPZ include:

- 10m around the junctions of Worple Road/Nursery Road, Worple Road/Worple Avenue and Worple Road/Midmoor Road (15m on Worple Road outside property numbers 122 and 124).
- Up to 15.5m around Worple Road/Albert Grove junction.
- Up to 6m around junctions of Albert Grove/Ethelbert Road, Albert Grove/Southdown Road, Midmoor Road/Pentney Road, Lower Downs Road/Ethelbert Road and Lower Downs Road/Southdown Road.
- 15m across the fire gate entrance in Albert Grove, adjacent to Pentney Road.
- Up to 6m at the culs-de-sac sections in Nursery Road, Pentney Road and Worple Avenue.

What Happens Next?

Your Council has carefully considered all the feedback it received during the informal public consultation and is now undertaking a formal consultation on its intentions to introduce controlled parking in Darlaston Road, Edge Hill and Worple Road (odd side only, Nos. 69 to 79) and to introduce ‘At any time’ waiting restrictions at the turning heads of the culs-de-sac in Nursery Road, Worple Avenue and Pentney Road and around junctions in Worple Avenue, Worple Road, Nursery Road, Midmoor Road, Pentney Road, Albert Grove, Ethelbert Road, Southdown Road and Lower Downs Road.

At the conclusion of this formal consultation the Cabinet Street Management Committee will make a decision on whether or not to implement these proposals.

An advert for the Traffic Management Order will be placed in the local newspaper and the London Gazette and posted on lamp columns in the area and we urge anyone who is either in favour or against the scheme to make representation in writing to: Head of Street Management, Merton Civic Centre, London Road, Morden, Surrey, SM4 5DX by no later than 16th December 2005, quoting reference ES/SGE/W6.

Please note that no response will be made to representations until the Cabinet Street Management Committee has made a decision.

Anyone who opposes the scheme must state the grounds on which their objection is made. We also welcome letters in support.

A copy of the proposed Traffic Management Orders (TMOs), a plan identifying the areas affected by the proposed TMOs and the Council’s Statement of Reasons for the TMOs can be viewed on the Merton Council website www.merton.gov.uk/cpz/w6_formal, or at Wimbledon Library.

Please let us have your views, they are important and will have a bearing upon the decision made.

We would like to thank you for the feedback provided on the initial proposals. If you require further information, you may contact James G gee son on 020 8545 3054.
