Dear Sirs

SITES AND POLICIES DEVELOPMENT PLAN DOCUMENT CONSULTATION

We act on behalf of Sainsbury's Supermarkets Ltd and have been instructed to submit representations to the Sites and Policies DPD.

Sainsbury's makes the following representation with regards to Site Proposal 58 and the wider context of the DPD.

"Sainsbury's support the redevelopment of underused town centre sites. However, car parking is an important component of a town centres' vitality and viability.

In this regard, any redevelopment proposed in this location should provide for adequate town centre car parking provision."

We trust that these representations will be taken into account as part of the consultation process.

Should you wish to discuss these representations in more detail, please do not hesitate to contact Barry Cansfield or William Kumar at this office.

Yours faithfully

TURLEY ASSOCIATES
