Thank you for your email of 16 January consulting The Theatres Trust on the Sites and Policies Strategy Development Plan (known as Stage 3).

We support this thorough and detailed document, especially for Policy RM6, but have a slight quibble with 'sui generis'.

Paragraph 1.71 has Sui Generis with capital letters, but lower case elsewhere. Paragraphs 1.48 and 4.28 both state that sui generis is a Use Class – sui generis is not a use class and for accuracy should not be described as such.
