Dear Sir or Madam,

I have just received a letter about the development of MORDEN ASSEMBLY HALL, TODD DRIVE.

I object strongly to any change off the site.

I have lived here for 73 yrs and do not want any change.

There has been enough building in this area over the last few years. More people moving in, more traffic and more building on water flats.

I don't know whether anybody in the council has been around TODD DRIVE, LOWER MORDEN LANE and GRANT DRIVE early morning and evening the traffic is dreadful.

Yours faithfully  
(MRS).
